--oo-- Look I like the game but I don't like the controls we don't have alien hands to shoot .The game is not fun the way the controls are now.. So i'm the second person to review this game not including key activations so I spent money on this. It is not worth 1.99. It should e free. It'd be a good FREE game but I wasted 2 bucks on this. Not worth it.. --oo-- Look I like the game but I don't like the controls we don't have alien hands to shoot .The game is not fun the way the controls are now..
